Richmond, Va., April 17.-Governor to secure a settlement of the oyster dispute between Virginia and Maryland had been perfectly successful, a recent letter from Governor Lowndes showing that the Maryland authorities were entirely in harmony with those of Virginia. Governor Tyler will make public the details of the settlement when he shall have received certain information from Commonwealth's Attorney B. T. Gunter, of Accomac county,
Governor Tyler received to-day a

telegram from a New York paper saying that it is evident many more troops are needed in the Philippines, and asking how Virginia would respond to a call for troops. The Governor replied that he had had no opportunity to learn the sentiment in the State among the soldiers, but that Virginia would furnish the men demanded of her. CHARITITES AND CORRECTION.
